Basketball Notes

The Woolverstone Hall. School team has throughout this term given our Divisional teams increasingly stiff opposition; indeed, only the better Divisional teams now emerge victorious. Perhaps this keener competition was in part the reason why we were once more successful against "St. Vincent," whom at Gosport on 2nd February we beat 24-18.

The "Ganges" team that went to the Command Championships were defeated by one point only (27-28) by Royal Marines, Deal, the eventual winners, in the semi-final. The whole tournament was a very keen one and, therefore, it was not altogether surprising that the Nore Command team became Inter-Command champions once again, at Devonport, beating Portsmouth Command 32-26 in the final on 7th March.

On 25th March a number of teams from Suffolk came to play in "Ganges." As was to be expected, the U.S.A.F. teams from Lakenheath and Shepherd's Grove gave us a splendid game to watch, and the standard of play all round was high. It is hoped to run Suffolk senior and junior leagues next season, which will provide both our teams, Establishment and Boys, with the opposition that they require to improve their standard of play.

We may congratulate Petty Officer Francis on his selection for the Nore Command team, Boys Laycock (Collingwood) and Ferguson, M. (Benbow) on being awarded their colours, and Hawke Division on winning the Inter-Divisional Basketball League.

Uniform Matters

UNIFORM matters—and the one matter which matters most is that it must be uniform! . . . The slightest incorrectness in detail inevitably mars the whole . . . For generations, we have specialised in naval dress. For generations, we have been the trusted outfitters of all sea-faring men—whatever their rank. For generations, our clothes have never varied in quality, dependability and sheer money's-worth.
